Dear Community Donor,

The Ocala Royal Dames for Cancer Research, Inc. is a non-profit 501c(3) organization that raises money for cancer research. We are a strictly volunteer organization with no paid employees. We fund and work with researchers at the University of Florida in Gainesville and Moffitt Cancer Center in Tampa. Most of the money we provide to researchers is seed money that allows them to apply for larger grants that they would not otherwise obtain. With the help of our generous donors the Ocala Royal Dames has provided over \$4,000,000 for cancer research.

The Ocala Royal Dames for Cancer Research, Inc., also, work with the College of Central Florida(CF) here in Ocala. We provide money for educational programs at CF and support Shop Talk. Shop Talk is free and open to the public, with doctors, nurses and other health care professionals providing information in a relaxed environment with plenty of question and answer time.

We need sponsors like you so that we can continue to fund research we hope will one day soon lead to a cure for cancer. This year's Signature Event theme is "Fire and Ice." We hope you will support us with your sponsorship and join us for a flaming good time at our 36th Annual Signature Event on March 25, 2023 at the Circle Square Cultural Center.

Warmest Regards,

Patricia Sokol
